# INITIATIVE HIGHLIGHTS

01

## Independence

Fairfield DD focuses on supporting everyone on their journey toward greater independence. We have invested strategically in assistive technology which provides opportunities for people to perform tasks, once thought impossible, on their own.

## Inclusion

02

Early Intervention works to empower children and families to be part of their communities.

Playgroup is held at the Northwest Branch Early Literacy Center of the Fairfield County District Library and is open to all families with children ages 0-5.

03

## Inspired Workforce

Fairfield DD employs a team of passionate, dedicated people committed to growth and development. Rebecca, at Forest Rose School, created an innovative guide for the hygiene room. It includes medical definitions, observations, and specific diagnosis data while maintaining the confidentiality and dignity of students.

## Collaboration

04

Fairfield DD, SOCIL, and Connexion West collaborate weekly for Solutions for Life. Participants practice roundtable methodology which facilitates independence and self-determination.
