

Welcome back to the Senior Classroom!

We are excited to start off a brand new year. Lots of exciting things are underway in the Senior Room this upcoming school year. We will continue visiting our job site at Old Navy on Tuesday mornings. We also plan to begin collaborating with the Fairfield County Dog Shelter on Tuesday afternoons to learn and increase our job skills. We will continue operating and expanding on our school store for the rest of the students here at Forest Rose. Students will also attend cooking lessons on Thursdays. On Fridays, we will continue to shop at Kroger to supply food for the cafeteria salad bar.

Our Adaptive Physical Education Teacher, Mr. Stacy, has many fun new activities planned as well as resuming our weekly swim days. Our therapists will be bringing new stories and activities along with opportunities to improve our Gestalt language development, as well as our fine motor skills.

We hope everyone had a fantastic summer break!

Please save the contact information listed below to contact Mrs. Donna.
