

Family Support Services is a program designed to assist families who are caring for a family member with a disability when that person resides in their home. Fairfield DD uses prior year's federal taxable income to determine qualification and reimbursement of services levels. If a family or household is not required to file an income tax form, it will not affect eligibility for services.

This form must be submitted by October 1, 2024

Family Support Services, Cassie Richardson
717 College Avenue
Lancaster, Ohio 43130
