

STRATEGIC PLAN PRIORITIES

MOVE AS ONE

ONE MISSION | ONE TEAM | ONE COMMUNITY

INDEPENDENCE

Build capacity for additional housing options in Fairfield County through work with housing authorities and the private sector.

Priority Leaders: Superintendent, Services and Supports Department

Empower people to lead discussions about what they want and need and increase supported decision-making skills so that people can advocate for themselves in the service-planning process.

Priority Leaders: Workgroup

Connect people to existing advocacy groups, support the development of such groups where gaps exist, and empower each person to understand and practice self-advocacy.

Priority Leaders: Workgroup

COLLABORATION

Identify and engage, or re-engage, 7 to 10 key community entities in Fairfield County, establishing an internal point of contact to streamline inquiries about services, eligibility, and funding.

Priority Leaders: Executive Leadership Team

Pinpoint service gaps in public transportation and work with county officials to address those gaps.

Priority Leaders: Services and Supports, Provider and Community Resources Departments

Identify and examine gaps in necessary service providers through annual analysis and recruit providers to address those gaps.

Priority Leaders: Provider and Community Resources Department

Develop an outreach calendar of joint events, speaking engagements, community forums, and informational sessions that are available to the broader community and speak to the different agencies and partners of Fairfield DD on various topics related to greater independence and family support.

Priority Leaders: Communications and Outreach

ENGAGED WORKFORCE

Equip and empower leaders in the organization to lead people effectively.
